At the First Communion Retreat, you will receive detailed information about First Communion Mass. You will receive a packet of information and forms that need to be filled out and returned to the Religious Education Office. If you need to change your assigned First Communion date/time, there will be a form inside the First Communion packet at the retreat day. Please do NOT email or call the RE Office with change of date/time requests until after you attend the retreat and receive your packet. Changes will only be made with the completed change of date form. Please pay close attention to the due dates on the forms.
