Pick one word/phrase/topic from the readings or homily that stood out for you:

"And your Father who sees what is hidden will repay you."
Jesus warned His followers against acting for the sake
of appearance.

Reflect on how that relates to you in your personal life:

This helped me understand God wants me to focus not so much on
WHAT I do, but HOW I do it. An outward sign of repentance is
worthless without an inward change in my heart. It is
those secrets of my heart that God will reward me with
mercy and compassion. I will try to have a good heart
toward others in all that I do and not focus so much
on myself.
